

# KENDAL LEHARI EVENTING MAY NEWSLETTER

---

The horses and I are now home in Ontario and settled in after a great season in Ocala, FL. They are all having a few weeks of lighter work before we start back into the Ontario season. We had 10 horses on average in Florida, and 2 students who stayed the entire time. Now that I'm back in Ontario we have 20 horses in the barn and I'm teaching a number of lessons off property, so it's very busy, but a good busy!

## TOTALLY FRANK:

I had a great finish to the season at Fair Hill International on Totally Frank. We competed in the CIC\*\*\* finishing 2<sup>nd</sup>. This was a very challenging and large cross-country course and Frank handled it really well. His next big outing will be Bromont CCI\*\*\* June 4-8. To help keep us fresh we will do a Dressage show and Jumper show at Palgrave.

Frank is still new to Advanced, having just upgraded in February, but he has been very competitive. He was also 3<sup>rd</sup> at Red Hills in the Advanced.

## GRAND OPTIMIST:

Grand Optimist (George) really stepped up to the plate this season. He went down to Florida with the intention to do Training level until the summer, but he was so good and brave that I ended up upgrading him to Prelim earlier than expected. He was amazing at both prelim events! He is really showing that he has the talent, brain and heart to do the job and I think he's going to make a great upper level horse.

## MR. MOSLEY:

Mr. Mosley (Mo) went down to Florida having had very little done with him between the time we got him off the track and going to FL. Mo has such a good head on his shoulder that he took everything in stride and very quickly progressed with his work. We started the FL season at Novice and finished training. Mo is another horse that I am very excited about and looks like he has what it takes to get to the upper levels.

### DAILY EDITION:

Daily Edition (Ed) unfortunately had to be retired this season. He had been going amazingly when I arrived in FL, but unfortunately after our first XC school he ended up sustaining a soft tissue injury. Since Ed is 16 this year I decided that it would be most fair to retire him from the upper levels so that he can stay sound and happy.

### FLIN FLON:

Flin got to branch out a bit this winter and we finished the season with a dressage show to add to her resume. Not only is she a ton of fun to event and go XC on, but she is an awesome dressage horse! We ended up 1<sup>st</sup> in a Fourth Level dressage test and 2<sup>nd</sup> in the Third Level test!

### MILES TO CRUISE:

Miles started out the season well and upgraded to Prelim, but he doesn't love the XC as much as I would like for a horse that I would ideally be keeping for myself to try for the Canadian Team, so I have made the difficult decision to sell him. I have owned Miles since he was 2 yrs old and I have done all the work on him so I will be very sad to see him go. However, if he doesn't sell as a hunter/jumper in the next few months I may try him back in Eventing!

### GOING FOR GOLD SYNDICATE:

I have decided that in order to be able to afford to keep Frank at the Advanced level and give him the best care possible, I am going to syndicate him. What this means is that I will sell 49% of him in the form of shares. I will remain as the majority shareholder, but it will give others the opportunity to join our team and be a part of Eventing at the top level of the sport at a fraction of the price of owning the whole horse.

I will also be including Mr. Mosley in this syndicate so there will be the exciting part of watching a young horse develop through the levels. Shares will be sold at \$5000 a share and \$135 a month for maintenance total for both horses. If you or a friend are interested in this option please contact me and I will send you a complete package: [klehari@hotmail.com](mailto:klehari@hotmail.com) (905)715-0208

## THANK-YOU!!

I would like to thank all of my sponsors and supporters for your help. You are a huge part of my team and one of the reasons I am successful. It takes many people to get an athlete to the top levels of the sport and I am very grateful to have you on board.
